Disclaimer: This table shows scheduled meetings held by the Parliamentary Under-Secretary relating to ministerial business, which have been recorded in the Parliamentary Under-Secretary's diary. Travel logistics are not included. It may include meetings which were in the diary but did not eventuate or were placeholders, and may not include unscheduled meetings. Where the portfolio to which a meeting relates is indicated, please note that it is possible material in another portfolio area could also have been covered during the meeting. Please also note attendees to a meeting change frequently so this table may not contain an accurate record of all attendees. Matters that may not be included in this proactive release include information that might breach the privacy of a person, relate to decisions still under active consideration by the Parliamentary Under-Secretary, or matters of national security, consistent with the grounds under which matters might be withheld from release under the Official Information Act 1982.
