

West Coast

- A total of \$255 million is forecast to be invested in the West Coast in the 2024-27 National Land Transport Programme (NLTP) period.
- The \$255 million forecast investment includes:
 - \$81m in maintenance operations investment.
 - \$121m to prevent potholes on state highways and local roads.
 - \$49m to deliver state highway and local road improvements.
 - \$1.5m in public transport investment.

Key projects funded in the 2024-27 NLTP:

- Resealing and rehabilitation works on 459 kilometres of state highway.
- Replace the end-of-life SH6 Coal Creek Overbridge and 10 local road bridges and culverts.
- Reconstruct a 6km section of SH7 through Lewis Pass, from the summit through to Maruia Springs.
- Complete 3kms of road condition improvements on SH6 at Fergusons Bush, south of Ross, along with drainage work.
- Complete road condition and drainage improvements on SH73 Jacksons to Darby.
